

March 16, 2007

To Whom It May Concern:

This letter is to inform you of the working relationship between Commercial Contracting Corporation and Luevano Hart Construction. We have worked with Luevano Hart for approximately four years and they have been instrumental in the success of many of our projects.

Some of their past projects with us include:

- | | |
|---------------------------------------|----------------------------|
| ▪ 2005 GM Body Shop Tool Installation | Contract Value \$3,312,249 |
| ▪ 2006 GM Body Shop Tool Installation | Contract Value \$1,124,363 |
| ▪ 2006 GM 25 Bay Building Addition | Contract Value \$ 665,000 |
| ▪ 2005 GM General Assembly | Contract Value \$ 403,699 |

We feel that LHC performs business in a very professional manner, and are conscientious to make sure that all work is performed to high standards. Their staff has the coordination and communication skills necessary to keep projects moving and on schedule. Any problems that they encountered were always handled promptly to keep the customer satisfied.

Overall, we have been impressed with their performance and would not hesitate to recommend their services. Should you have any further questions or comments, please contact our office at your earliest convenience.

Sincerely,

COMMERCIAL CONTRACTING CORPORATION

Robert L. Long
General Manager Midwest Operations
