Re: Hector Luevano, Luevano Hart Construction, LLC

To Whom It May Concern:

This brief letter affords me the opportunity to offer a recommendation on behalf of Hector Luevano and his firm Luevano Hart Construction, LLC.

It was early 2006 that I was first introduced to Hector Luevano when J E Dunn was seeking to find a completion contractor to remedy an earlier default by the plumbing subcontractor on our \$55 million project at the Johnson County Community College. Hector's professional attitude and sense of fairness during the solicitation process stood out on more than one occasion. His honest, committed, and firm but fair approach in responding to our request, and his persistence in pursuing this opportunity ultimately lead to Luevano Harts' success in securing this work.

Over the course of the past year I have personally witnessed Hector manage Luevano Harts' scope on this difficult project with a sense of enthusiasm, leadership, and genuine concern for a successful outcome. He has offered creative solutions in helping to resolve issues in a timely matter and has remained committed to ensuring this project is a success for LHC.

Hectors' fair-minded, honest, and considerate business manner make it pleasure to conduct business with him, and I sincerely look forward to the opportunity to work with Hector Luevano again in the future.

Sincerely,

J E Dunn Construction Company
